ANSWERS TO A FEW COMMON QUESTIONS ABOUT MAKING REGULAR DONATIONS:

Q: Is there any minimum support amount required?

A: NO, any donation helps.

Q: Can we give yearly, quarterly, bi-monthly, etc. instead of monthly?

A: YES. The important thing is for JV to know that you're a regular supporter by returning the completed response slip.

Q: Can we have our support automatically withdrawn from our bank account?

A: YES, Josiah Venture offers Electronic Fund Transfers as an option for regular donors. You can start an EFT online by visiting the GIVE page at www.josiahventure.com.

Q: Will we get a bill from Josiah Venture when our monthly donation is due?

A: NO, every time you send a donation to JV you'll receive a document including 3 items: a short update on the ministry, a receipt for your previous donation, and a new response slip to return with your next donation.

Q: When should we begin to send monthly donations?

A: If possible, it would be best to begin immediately, even if departure for the field is several months away. This will help with costs associated with support raising, training, or outgoing expenses.
